

Fee Schedule for the Boarding School

Academic Year: 1 August 2026 to 31 July 2027

Louisenlund is a non-profit foundation deeply committed to the education and development of young people. Apart from a partial subsidy from the State of Schleswig-Holstein towards school fees, the foundation finances its operations exclusively through parental contributions and donations.

The parental contribution is set as an annual fee for one academic year and covers the period from 1 August to 31 July of the following year – irrespective of the timing of the summer holidays, the Abitur date, or the IB Diploma examination date.

The annual fee already covers school- and boarding-typical costs such as textbooks, learning materials, and the basic furnishing of the room. Beyond this, only additional, individual services are billed separately, for example pocket money, Round Square conferences, private tutoring, German as a foreign language, instrumental lessons, home travel, or shuttle and taxi services. Personal expenses such as house jumpers, private medical bills, purchases, or leisure activities outside the Guild programme are also charged individually.

Fee components	per academic year	per month (SEPA direct debit)
